THE GOVERNMENT OF CANADA INVESTS IN SAULT STE. MARIE

COMMUNITY ECONOMIC DEVELOPMENT INITIATIVES

\$500,000

City of Sault Ste. Marie

The City of Sault Ste. Marie will receive \$500,000 over two years for the third phase of its downtown development Initiative. This contribution will support consulting fees and construction costs in connection with a series of projects, including the design and construction of a gateway to the downtown area, a directional signage strategy and pedestrian laneway improvements.

YOUTH INITIATIVES

\$55,000

Two new Youth Interns will gain valuable job experience through FedNor's Youth Internship Program (YIP), helping the successful candidates make the transition from the campus to the workplace. The Interns' responsibilities will range from promotion and marketing activities to coordinating and designing research experiments. The host organizations, which will receive \$27,500 in FedNor YIP funding, are:

- Algoma University
- Big Brothers Association of Sault Ste. Marie, ON Inc.
