

Wabigoon Lake Ojibway Nation Community Centre
Grand Council Treaty #3
Best Practices & Relations Forum
MARCH 11 & 12, 2010

KEYNOTE SPEAKER: Former National Chief Phil Fontaine

“Future wealth creation is still going to be very much dependent on our natural resources, whether we're talking oil and gas, forestry, pipelines, fisheries, and now the green economy. Much of the future development will take place on first nations' lands and territories...”

– *Phil Fontaine* SOURCE: *Globe and Mail*

Living within the Spirit and intent of Treaty #3
“for the benefit of our Nation and our white brothers”
(Treaty #3 Chief at close of treaty negotiations in 1873)

Who should attend?

Groups and individuals who are interested in economic and resource development in Northwestern Ontario such as Government Officials, Municipal leaders, Economic Development Officers, Industry and corporate executives and First Nations Leadership and technicians.

Encouraging and creating opportunities for economic prosperity through partnerships with Treaty #3 First Nations and gaining an understanding of our diverse perspectives and pursuits. Attending this forum is an investment towards the economic growth of Northwestern Ontario and Manitoba.
